

Web 2.0 Primer *(Courtesy of School Library Journal)*

- **Infomancy**

Christopher Harris's blog, where the school library professional discusses technology issues as they relate to libraries and more.
schoolof.info/infomancy

- **Library 2.0/Web 2.0**

A wealth of 2.0 blog entries by Michael Stevens, former special projects librarian at the St. Joseph County (IN) Public Library.
tametheweb.com/library_20web_20/

- **School Library Blogs**

Also by Chris Harris, an aggregated page of top school library blogs.
libraryblogs.suprglu.com

- **Tags/library20**

Library 2.0 in pictures.
www.flickr.com/photos/tags/library20/

- **TechCrunch**

A blog that reviews emerging Web 2.0 tools.
techcrunch.com

- **What Is Web 2.0**

The article that started it all, by Tim O'Reilly, the publisher and Internet guru who coined the term.

Web 2.0 Environments and Portals Useful to Educators: A Sample

- **ePals Global Community**

Leading provider of school-safe collaborative learning products for K-12 across 200 countries and territories. Check out their product SchoolBlog, free blogging software to be used by students, teachers, administrators and parents.
www.epals.com

- **Classroom 2.0**

A social networking site for individuals interested in Web 2.0 and collaborative technologies in education.
www.classroom20.com

- **Flickr: The Commons**

A pilot project with the Library of Congress to upload millions of images in the Library's collection. Goals of the project are to expose users to the wealth of the collection and allow them to collaborate by collectively describing the photos using tags.
www.flickr.com/commons

- **TeacherLibrarianNetwork**

An online community for teacher-librarians and other educators.
teacherlibrarian.ning.com

Where can I learn more about Web 2.0?

- **Lee LeFever's *Common Craft Show* on YouTube:**

Short and informative video presentations on all things Web 2.0 in "plain English."

<http://www.youtube.com/user/leelefever>

- **Learning 2.0**

The original Learning 2.0 program developed by Helene Blowers. This program has been used by libraries worldwide to help library staff learn more about Web 2.0 tools and their applications in library services.

<http://plcmclearning.blogspot.com/>

- **NSU Libraries Learning Challenge 2.0 (TLC 2.0)**

Online self-paced learning module covering 23 Web 2.0 tools. Started as a staff development initiative to expose library staff to Web 2.0 tools, encourage them to play with the technology and discuss their likes and dislikes. Modeled after the Learning 2.0 program.
